

## SECTION 2 – PLANNING YOUR PROVISION AND BUDGET FOR THE COMING YEAR

Use the template below to plan how you intend on spending your Primary PE and Sport Premium funding this academic year, to include which of the 5 key indicators that priority relates to. The greyed out boxes allow you to re-visit this section later in the year to review

and plan next steps.

**Step by step guidance notes to support completion of the template to achieve self-sustaining improvement in the quality of PE and sport in primary schools:**

Step 1: Confirm the total fund allocated

Step 2: Review activities and impact to date either using the template you used last year or the space provided at the top of the template

Step 3: Confirm your priorities in terms of impact on pupils and enter into column B to detail your school focus (e.g. improved the quality of children's physical literacy at key stage 1)

Step 4: Cross reference these with the 5 key indicators for the Primary PE and Sport Premium by selecting the aspect(s) that this relates to (e.g.

increased confidence, knowledge and skills of all staff in teaching PE and sport) and select these from the drop down menu in column A

Step 5: Complete column C to outline key actions to achieve these outcomes (e.g. whole staff training)

Step 6: Complete column D to detail funding allocated to this priority (e.g. £100)

Step 7: Complete column F to show how you plan to evidence the impact of this spend on young people

Step 8: Identify when you will revisit this template to update with actual spend, impact and sustainability next steps (greyed out columns E, G & H)

Step 9: The greyed out columns will be useful when reviewing your school's spend later in the year to confirm actual spend and impact to support further plans for the future and sustainability.
