

## Places to Visit (Lockdown permitting)

Local Churches, Mosques, or Temples  
Supermarkets to look at food from around the world  
China Town, Zoos and Farms

## Suggested activities:

Write a list of animals that you can find in the UK and from a country of your choice. What similarities and differences do they have?

Can you make your favourite dish from your country? What ingredients did you use? Can you write the recipe and bring it to school?

Practice counting in 2's up to 20. Then try 5's and 10's

Can you learn the 7 continents of the world? Draw a picture of them and label it. Learn 3 facts about one of the continents of your choice.

In Phonics, we will be segmenting, blending and manipulating sounds in words. Please make sure that you help your child practise their keywords, read their decodable book and story book on a daily basis for about 10 to 15 minutes. In English we will be writing simple sentences that contain the sounds that children have learnt.

## FAMILY PROJECT

Can you make a flag to represent your heritage? This could be from your parents' country of birth. What materials are you going to use? Bring your flag to school to celebrate our diversity. Can you tell us one fact about the country you represented?
